We are looking for a highly motivated and quality focused Production Assistant to join our team in our fast paced and growing brewery! In this position you will be responsible for beer production from malt handling all the way through process to packaging.

Essential Functions and Responsibilities

Duties include, but are not limited to:

- Malt handling and brewhouse processes
- Fermentation monitoring
- Beer transfers including the use of filtration equipment
- Manual cleaning
- Basic brewery equipment maintenance
- Facilities maintenance
- Keg washing, filling and maintenance of our keg float
- Raw material and finished product handling (forklift and other equipment operation to warehouse and load/unload trucks)
- Manual and CIP cleaning of brewery equipment
- Operating our canning line
- Facilities maintenance
- Be responsible for ensuring that safety procedures are adhered to throughout the building
- Communicate regularly and efficiently with Stillmank Brewing staff
- Assist other departments when necessary

Qualifications/Skill sets

- Strong passion for great beer
- At least 2 years' experience performing above duties at a small to mid-size craft brewery
- Quality-minded professional who always strives to improve
- Safety consciousness
- High level verbal and written communication capacity
- Team player with appreciation for combining efforts with others to achieve a common goal.
- Flexibility in schedule to permit brewer to work days, nights and weekends as needed

- Good mechanical skills
- Ability to manage your own time and tasks without supervision

Physical Requirement/Working Conditions:

- Standing up to 10 hours per shift
- Stooping, bending, crouching, reaching
- Manual manipulation of small parts and all equipment necessary to complete the job
- Lifting up to 55 pounds to shoulder height repetitively
- Working in often hot/wet/cold/humid conditions
- Ability to walk up and down stairs and or ladders throughout shift
- Great palate for beer

Compensation

- Compensation will be highly competitive with industry / market rates and will be experience-dependent.

Qualified applicants should upload résumé, cover letter, and compensation requirements highlighting your experience within the craft beer industry
